### **Corned Beef Sloppy Joes**

1 Can Corned Beef

1 Bottle Heinz Chili Sauce

6 Hamburger Buns

Put the corned beef in a medium sauce pan over medium-low heat. As the corned beef gets warm, shred it with a fork. Add the bottle of chili sauce and mix well. Allow to warm over low heat, stirring often to prevent sticking. In the meantime, toast the hamburger buns under the oven broiler.

(Serves 6)
